HOW TO READ THIS MAP

This map combines the four World Championship courses in Geelong. The competition comprises a practice session on Tuesday, followed by five days of races.

Find your location or route for travel on the map. See what colour the road is then refer to the Daily Race Times for that colour to know when that road will be used for the competition.

The daily race times are when cyclists and their teams will be on those roads. Road closures will commence at least 2 hours prior to the race times and then the course roads are progressively opened again up to 2 hours after the race finish each day.
