ABOUT CARNIVAL

This outstanding golfing event, the "Carnival of Golf" which we enjoy today has come a long way from its humble beginnings back in 1997.

The Board and Management at that time realised that the traditional "golf week" then being held was no different in its format from all other clubs in the Geelong district and like them was struggling to attract full fields of players.

Therefore they resolved to develop the week into an event that would attract golfers from a much wider field and become the envy of the industry.

Much hard work had been required by the club to encourage advertisers/sponsors to become involved

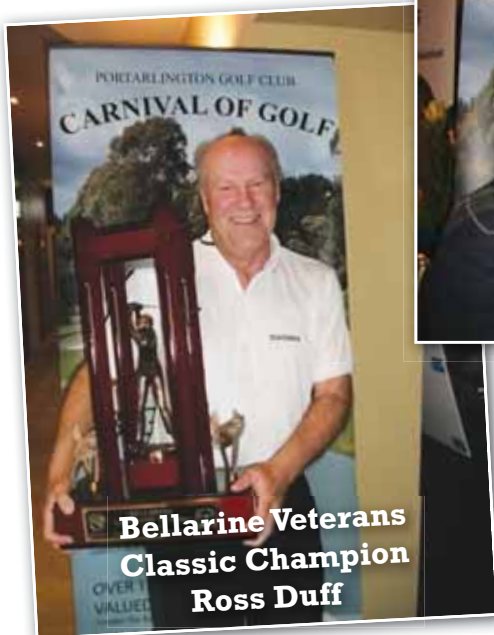

and as the idea gained momentum players from throughout the State were attracted to Portarlington to experience, and enjoy, excellent golf in a wide variety of events.

Today the Portarlington Golf Club's "Carnival of Golf" is spread over nine days with twelve individual events offering something for everyone.

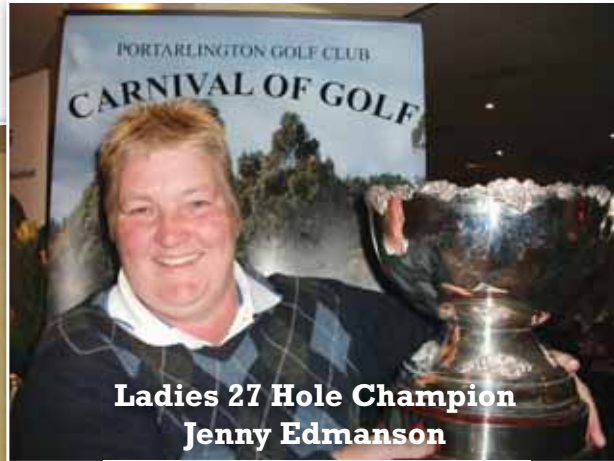

With an extensive range of excellent prizes and trophies on offer, the outstanding recreational and dining facilities provided by the Club and a variety of affordable, quality accommodation packages, it is no wonder that Portarlington Golf Club is the enthusiastic destination for golfers of all abilities to experience and enjoy.
