AMAZING BACKYARD ADVENTURES

Discover A HIDDEN WORLD

Take a closer look at what you might find in your backyard. Go on a journey inside a magnified backyard lawn and find out how it feels to be smaller than a blade of grass. Use special lenses to take a look at the backyard through the eyes of a dog or jump on board the flying bee for a bees' eye view of the garden.

There are wonders aplenty hidden in your own backyard; come along to discover the science behind it all.

Year levels: Prep to Year 7

VELS focus: Ecology, Science, Habitats

Summary of activities:

Enjoy learning about the interactions between plants and insects, the night-vision of nocturnal animals, and a bees-eye view of your backyard. Students will explore a wide-range of interactive displays and become a part of a class-sized food web.

- Dates:** Education program available from Tuesday 29 November to Thursday 22 December, 2011; and Tuesday 7 February to Friday 24 February, 2012.
- Bookings:** Group bookings are essential. Bookings can be made via the Museum on tel: 5272 4701.
- Cost:** \$4 per student entry to the Museum (accompanying teachers and supervisors are free).
- Times:** Allow at least 1 hour for a visit to the exhibition and the activity. Please allow extra time if you wish to see other exhibits in the Museum during your visit (at no extra charge).

Amazing Backyard Adventures makes a great end of year activity!
