Dear Resident and Business,

The City of Greater Geelong wishes to advise you of the traffic management arrangements for the Financial Review Corporate Cycling Challenger being staged on Sunday 04 December 2011 between 8:30am and 1:30pm.

This is the first time this event has been staged in Geelong. Up to 1,000 participants will be participating in the Time Trial course, which starts outside the Four Points by Sheraton on Eastern Beach Road and travels through Eastern Park along the Geelong Portarlington Road, turns around before Point Henry Road and returns along Geelong Portarlington Road via Eastern Park to conclude at Steampacket Gardens.

This is an event that the City of Greater Geelong proudly supports. It is essential that the event is conducted in a safe manner, and therefore, the Victoria Police, Vic Roads and the City of Greater Geelong have approved for GO TRAFFIC to temporarily change the traffic conditions.

**TEMPORARY CHANGED TRAFFIC CONDITIONS IN YOUR AREA**

The race itself will operate on closed roads. No vehicle access will be allowed on the roads listed in the left column. Pedestrian access will be maintained.

Please see the table below to determine when a roadway will be closed in your area.
