VECCI ADVERSE ACTION BRIEFINGS

CLAIMS CAN BE COMPLEX.
VECCI EXPERTS CAN HELP YOU FIND YOUR WAY.

Unfair dismissal and adverse action claims are on the rise. So what is adverse action and how could your business be affected?

VECCI Workplace Relations Consultants frequently assist Victorian businesses with responding to both threatened and actual unfair dismissal and adverse action claims. In this briefings series, VECCI experts will share some of their recent experience and insights, including:

- The rise and realities of “go away” money.
- The law and how it relates to your business.
- Uncapped compensation – case studies and you.
- What you can do to protect your business from future claims.
- The steps to take if a claim is threatened or lodged.

Don’t get caught up in the complex claims process. VECCI’s state-wide Adverse Action Briefings are a cost-effective way to help you handle adverse action and unfair dismissal issues with care, clarity and confidence.
