Carried.

DECLARATIONS OF CONFLICTS OF INTEREST: Nil.

QUESTION TIME:

Question Time is an opportunity for questions to be addressed to Council and while the minutes record the general content, they do not purport to be a transcript of what was said by individuals. Likewise, the Interim Administrator or Officer verbal responses are in summary form only. Views expressed may not be the views of Council.
Council’s practice is to provide a separate document on its website setting out questions and responses including any more detailed written responses which may be provided subsequent to the meeting.

**Russell Coad** invited the Administrators to participate in the “Inward Trade Mission” in Geelong hosted by G21 Agribusiness from 13-17 March.

**Clive West** advised of the unclean condition of public seating on the south side of Little Ryrie Street behind Officeworks caused by birds resting in the trees. The same problem is experienced along the City’s Waterfront.

*Kathy Alexander advised that Council will investigate and take appropriate action.*

**Alison Williams** asked questions regarding the Terms of Reference for the Geelong Saleyards Advisory Committee:

1) Could the CoGG confirm that if the peak user group (ie Geelong Saleyards Users Group) nominates a representative to membership of the Committee who is a fit and proper person and has the confidence of users, that the person will be appointed?

*Kathy Alexander responded that the membership process is outlined and any person who considers they fit the criteria should be encouraged to consider submitting.*

2) One of the stated objectives of the Committee is to “advise Council on options to address issues and assist with the identification of preferred solutions for Council decisions on operational issues and in relation to strategic decisions it may make in relation to ongoing service”. Can you please explain what that means, as it is not comprehensible to me?

*Kathy Alexander advised there is nothing in the Terms of Reference which prevents spontaneous advice coming from the Advisory Committee on both strategic and operational issues.*

**Daniel Ryan** asked why do officers say the Terms of Reference are consistent with the Australian Code of Practice for the selling of livestock, when that is patently incorrect?

*Kathy Alexander responded that Council have been provided with copies of other Saleyards Terms of Reference and believes that the proposed Terms of Reference is consistent with other similar Terms of Reference. She pointed out that the City of Greater Geelong’s proposed Terms of Reference are specific to the period between now and the end of June 2017, at which time a decision will be made about the future of the Saleyards.*

Why is it proposed that the Committee will advise Council officers, rather than Council/Administrators?

*Kathy Alexander notes that the Committee should advise Council/Administrators and indicated her intention to amend the sentence accordingly.*

**Ian Kelly** asked:

1) Do Administrators and Council realise the importance of the beef industry in Geelong given the following facts released in the Meat and Livestock Australia Industry projections for 2017?
Australians consume on a per capita basis 25.9 kg per annum. The weighted average retail price in September 2016 was $19.34/kg. I’m only a small producer on 100 acres and based on these facts I provide beef for 154 people for a year with beef in Geelong.

Likewise if we look at the 8,717 cattle sold through the Geelong Saleyards in 2015/16 they equate to feeding 78,082 people in Geelong with beef for a year. This has a retail value of $39,112,000 and this does not include the value of sheet.

Did you realise that this is a really important piece of public infrastructure that you have proposed closing which processes a retail value of $39million a year and will you please fast track the re-opening process as soon as possible?

Kathy Alexander responded by saying it is important to develop an Agri-business strategy and obtain independent market analysis to make an effective decision about the place of Saleyards in the broader development of Agri-business.

2) The draft Terms of Reference proposed that the Committee’s only role is to a) provide information on the perspectives of stakeholders, b) advise ways to inform and consult with stakeholders outside the Committee, c) advise on communication associated with the closure of the saleyards and d) respond to specific questions referred to it. Why are Council’s draft terms of reference so markedly limited and different from Terms of Reference of equivalent bodies across Victoria and nationally?

Kathy Alexander advised the Terms of Reference must be read as a whole. The objectives make clear that advice and response can relate to operational or strategic issues.

She advised there is nothing in the Terms of Reference which prevents spontaneous advice coming from the Advisory Committee on both strategic and operational issues.

The Saleyards Advisory Committee Terms of Reference will be in place for the period between now and 1 June 2017.

3) Given that there have been at least two damning occupational health and safety reports, including risks included in earlier reports that have never been addressed, operating losses over a number of years significantly greater than comparable Saleyards elsewhere, and stakeholders who are deeply unhappy with the service. Are Administrators confident that Council possesses the skills and expertise to conduct a rural business such as Saleyards without the influential advice of a properly constituted expert advisory committee?

Kathy Alexander advised that a properly constituted Advisory Committee of experts will advise on all operational and strategic issues in the future. Council is comfortable with the current staff working in collaboration with the Advisory Committee.

Fiona Conroy asked given that the Saleyards are a major importance to livestock producers in the Golden Plains and Surfcost Shires and provide a regional livestock saleyard service, why are representative of neighbouring Councils not included in the proposed membership of the Saleyards Advisory Committee?

Kathy Alexander responded the Expressions of Interest will be advertised publicly and neighbouring Councils will be advised. The proposed membership does not exclude people outside the City of Greater Geelong expressing their interest.
Will Council be publicising the resumption of sheep sales and could the Council please erect some signs at the Saleyards notifying people of the date sheep sales are resuming?

_Kathy Alexander responded “yes”._

**Eric Sharkey** asked why won’t CoGG work with stakeholders to develop strategic and business plans for ongoing operations of the Saleyards? Why is development of such plans not included in the Terms of Reference?

_Kathy Alexander indicated that the Committee will be able to have input into the operational and strategic issues._

Has the Council given any consideration to form a Section 86 for the purpose of formalizing the Advisory Committee?

_Kathy added the proposed Terms of Reference of the Advisory Committee are for the period of operation up to end of June 2017, at which point the future of the Saleyards will be decided. At that point is may or may not be relevant to consider at Section 86 Committee._

**Patricia Fyfe** asked as a ratepayer and a livestock producer who is very interested in the current issue of the Geelong Saleyards, could you please provide me with the detailed financial reports of the Geelong Saleyard Operations for the past ten years? Could you also please provide these reports to the Geelong Saleyard Users Group? I would appreciate these being available by 31 January 2017?

_Kathy Alexander responded Council would put the information on the website._

**Geoff Gugger** asked how will the public know what the Committee is advising, and whether Council and/or officers accept the Committee’s advice?

_Kathy Alexander responded the Minutes of the Saleyards Advisor Committee will be available on the new Saleyards website, and we would like to be as open and transparent as we can._

**PETITIONS:**

Jack Ayerbe presented a petition from Aberdeen Holdings Australia Pty Ltd. (proprietors of The Great Western Hotel), requesting the removal of the City of Greater Geelong’s proposal to place a Heritage Overlay on the Great Western Hotel.
1. **GEELONG SALEYARDS ADVISORY COMMITTEE – TERMS OF REFERENCE CTR245.5**

   **Source:** City Services - Engineering Services  
   **General Manager:** William Tieppo  
   **Index Reference:** Geelong Saleyards

**Purpose**

To endorse the Geelong Saleyards Advisory Committee Terms of Reference and authorise the General Manager City Services to commence the recruitment of members to the committee.

**Background**

On 13 December Council resolved to:

“establish a Geelong Saleyards Advisory Committee, with a Terms of Reference consistent with the “Australian Code of Practice for the Selling of Livestock” and work with the proposed Committee to advise Council on user issues at the Geelong Saleyards”.

**Key Issues**

- The development of the Geelong Saleyards Advisory Group Terms of Reference has considered other similar Terms of Reference from Saleyards in New South Wales and Victoria.
- The engagement of stakeholders is important in developing any future options for the Geelong Saleyards.
- The purpose of the Geelong Saleyards Advisory Committee is to advise the City of Greater Geelong on a range of technical and community issues involved in the management of the Geelong Saleyards.
- The Geelong Saleyards Advisory Committee membership will comprise representatives from Agents, Livestock Producers, Transport Operators, Buyers, Argribusiness and academic experts.
- The City will invite nominations via an Expression of Interest during January 2017 and appoint members in February 2017.

K Alexander moved, L Gardner seconded -

*That Council:*

1) **endorse the Geelong Saleyards Advisory Committee Terms of Reference CTR245.5** (refer Attachment 3), with the following amendments:
   - remove “officers” in the first sentence of 2.1;
   - replace “Terms of Reference” with “Specific Functions” in Item 3
2) **authorise the General Manager City Services to commence the Expression of Interest process to appoint members.**

Carried.
Discussion

The City of Greater Geelong is responsible for the operation and management of the Geelong Saleyards at Weddell Road, North Geelong.

The Australian Code of practice for the Selling of Livestock recommends that Saleyards are to be managed and operated in a way that is acceptable to the general public, and in a manner that safeguards human safety, food safety and animal welfare.

The establishment of a Geelong Saleyards Advisory Committee is consistent with the Code of Practice.

The Advisory Committee will enable Council, Saleyards stakeholders and the community to work together for the benefits of effective Saleyards operations.

Financial Implications

The operation of the Saleyards Advisory Committee (“Committee”) will be funded from the current approved 2016-2017 Budget.

Stakeholder Consultation and Communication

The stakeholder forum held on 21 September 2016 supported the establishment of an Advisory Committee.

The Surfcoast Shire Council at its meetings of the 22 November 2016 and 13 December 2016 supported the formation of a “Saleyards Stakeholder Committee”. (Refer to Attachment 2).

Alignment to City Plan

The endorsement of the Advisory Committee has clear connections to City Plan through the strategic direction of ‘How We Do Business’.

Conflict of Interest

No council officer involved in this report has a direct or indirect conflict of interest.

Risk Assessment

There are no risks associated with the creation of the Advisory Committee.

2. COUNCIL REPRESENTATIVES TO THE BARWON SOUTH WEST WASTE AND RESOURCE RECOVERY GROUP LOCAL GOVERNMENT FORUM AND THE BOARD

Source: Chief Executive Office
CEO: Kelvin Spiller
Index Reference: Waste Management

Purpose

To nominate Council’s representative to the Barwon South West Waste and Resource Recovery Group Local Government Forum and endorse nomination of this representative to the Group Board.

Background

The Barwon South West Waste and Resource Recovery Group provides waste management planning across the Barwon South West region and is the link to the state wide waste and resource recovery strategic framework.

Greater Geelong Council is one of nine member Councils to the Barwon South West Waste and Resource Recovery Group, along with the City of Warrnambool, the Shires of Glenelg, Moyne, Corangamite, Colac Otway and Surf Coast and the Borough of Queenscliffe.

The Group is governed by a Board of Directors with a Local Government Forum (the Forum) to advise the Board on local government issues.

Key Issues

- Each group member Council is required to nominate a person to be its Representative on the Forum along with an Alternative Representative and an Advisory Member.

- Following local government elections, Councils are being called upon to nominate their representatives.

- Council’s representative may also be nominated by the Forum to be appointed to the Board. As the City of Greater Geelong makes up 65% of the region’s population it is considered that its representative should be nominated for the Board.

P Dorling moved, L Gardner seconded -

That Council:

1) nominate Mr William Tieppo, General Manager City Services, as Council’s Representative to the Barwon South West Waste and Resource Recovery Group Local Government Forum and endorse this representative for nomination to the Board;

2) nominate Mr Rodney Thomas, Manager Environment and Waste Services as the Alternative Representative, and

3) delegate the appointment of Council’s Advisory Member to the Forum to the General Manager City Services.

Carried.
Discussion

Each member Council is required to nominate a person to represent that Council on the Forum and may also nominate an alternative representative for when the Council Representative is unable to attend Forum meetings. These representatives may be a councillor or an officer.

Following local government elections in October 2016, the Group is seeking the nomination of each member Council’s representative to the Local Government Forum.

The Forum may then nominate any of these representatives to the Minister for Energy, Environment and Climate Change to be appointed to the Board.

Council shall also nominate an officer to be an advisory member to the Forum. This officer may attend Board meetings but has no voting rights.

As roles within the City of Greater Geelong’s Waste Services Unit may change over time, it is considered that the appointment of the Advisory Member would be best as a delegated authority of the General Manager City Services.

Financial Implications

There are no financial implications from the recommendation in this report.

Stakeholder Consultation and Communication

There are no consultation and communications issues associated with this report.

Policy/Legal/Statutory Implications

The nomination of a Council Representative, Alternative Council Representative and Advisory Member to the Barwon South West Waste and Resource Recovery Local Government Forum is required under the Environment Protection Act 1970 for Council to participate in waste and resource recovery planning in the region.

Alignment to City Plan

Council’s participation in this Group is considered to be essential to enable Council to best meet the City Plan objective ‘To support our community to live sustainably by leading the way in waste management practices and to continue to reduce the amount of waste to landfill’

Conflict of Interest

No Council staff involved in the preparation of this report has a direct or indirect interest in the matter to which the report relates.

Risk Assessment

There are no risk implications for Council as a result of the recommendations in this report.

Environmental Implications

Council’s participation in the Barwon South West Group will significantly contribute to its ability to maximise the benefits and provide environmental protection for the Geelong community.
