Swim and Survive provides a pathway for ongoing learning and development through each of the key life stages and is designed to keep children engaged, actively learning and most importantly, having fun.

**WONDER:** Introduces water familiarisation to parents and their children aged 6 to 36 months.

**COURAGE:** Designed to build water confidence in pre-school children 3-5 years.

**ACTIVE:** Provides swimming and water safety lessons for school kids 5-14 years.
